Tim was saved at the age of three and reared here in Hawaii in a Christian home. At the age of 11, God called him to missionary service. He began serving as a summer missionary with CEF at the age of 14 and has worked with children and, eventually, the training of teachers ever since.

After graduating from Aiea High School he attended International College and Graduate School of Theology where he obtained his BA in Christian Education and an MABS in Biblical Studies. Following graduation, he attended the Children's Ministries Institute with *Child Evangelism Fellowship*® in preparation for the ministry God had called him to.

In 1992, he was commissioned by his sending church, International Baptist Church as a full-time missionary *Child Evangelism Fellowship*® to the island of Maui. He served there first as the local representative for CEF® and later as the webmaster for the state. In February 2009, he returned to Oahu to become the Special Ministries coordinator for CEF® in Hawaii.
